

# DOING BUSINESS WITH INTEGRITY IN LATIN AMERICA

Business Integrity Forum - 5th Session  
Host: TI UK

# Introduction and Speakers

---

You are invited to participate in Transparency International UK's next virtual Business Integrity Forum, *Doing Business with Integrity in Latin America*, on Thursday, 4 July, 16:00 – 17:00 GMT + 1 as part of the Transparency International inter-BIF initiative.

With speakers from Transparency International Mexico and Transparency International Brazil, the session will outline anti-corruption trends in their respective countries, and what challenges businesses should be prepared for when it comes to promoting integrity and combating corruption in the Latin American business landscape.

## Speakers

Eduardo Bohórquez is Executive Director at Transparency International Mexico, where he leads various initiatives and tools aimed at linking the power of data to citizens' actions to address corruption and impunity.

Janaina Pavan is Governance, Ethics and Compliance Officer at Transparency International Brazil. Before joining the Transparency International movement, she served as a compliance officer at CSN and Allianz Seguros and helped with the implementation of Corporate Integrity programs.

Gustavo Morales Oliver has more than 20 years of experience advising clients across Latin America. He is currently Managing Director at FTI Consulting where he works closely with the Forensic & Litigation Consulting segment and the Risk & Investigations team in Latin America, the United States and Canada.
